Snow and ice took their toll on the school year once again. Some of us even became bored at home! Springtime is always anticipated with eagerness; then, those pleasant thoughts of the summer interim creep into our heads. The 81-82 school year has been many things to us — happy times, sad times, lonesome moments, busy days, lazy afternoons, tests, dances, ISS room, Freaky Friday, lunchtimes, ad infinitum . . . In some way or another, the year has changed each one of us. Look out 82-83 — HERE COME THE PATRIOTS!!!!!

(The Patriot Advisors would like to acknowledge Tim Bassett and Mrs. Record for the cover idea and design, and also thank those many Patriots who offered time from their busy schedules to help with production, errands, and picture-taking.)
